

Happy Heart Walk Sponsorship Contest Information

Calling all kids! Please join us in the Happy Heart Walk 2015 Sponsorship Contest! Here is what you need to do:

1. Print the sponsorship form below.
2. Ask friends, family, and neighbors to sponsor you in your walk to cure Barth Syndrome. You can get sponsored a lump amount for walking in general, say the Reservoir. Or, if you are not walking with us in California, you could get donations to walk a certain distance or a certain amount of laps. You choose. Just write in your goal in the space provided on the form.
3. Print the cards out below and hand them out to your donors, or to the people that would like more information.
4. Mail checks and completed sponsorship form by February 16th in order to enter the contest!

Mail to: Megan Branagh
2862 Acacia Road
Walnut Creek, CA 94598

Important Information:

Have donors make checks payable to **Barth Syndrome Foundation** (these will be tax deductible).

Please write a personal check to the Barth Syndrome Foundation for all cash collected (cash is not tax deductible).

For donors interested in making a larger tax deductible donation by credit card, use the information cards on the second page of the sponsor form provided. You can get "credit" for these donations as long as the donor specifies the amount and date of the donation. Record it on your form.

A prize will be awarded to the family with the highest number of donors and also to the family with the highest dollar amount donated.

Thank you for helping raise money for the Barth Syndrome Foundation! We are so grateful!
